Dear Mr. Auchter,-

Complying with your recent request, we have the choicest varieties of the improved European Filberts that have been found hardy in our climate.

We have had no trouble from blight nor diseases of any kind. We list below the varieties that we are propagating,-

White Lambert,  
Red Lambert,  
Italian Red,  
Merville de Dollweiller,  
Barcelona,  
Daviana,  
Kentish Cob,  
Large Globe,  
Minna's Zeller,  
Early Globe,

We shall be glad to place your name on our mailing list as requested.

Thanking you for this opportunity to file our list in your office, we are

Very truly,
